

## Planning Process

Teams create individual plans	Plans fed into larger forum	Officer creates one-day project plan	Force moves out and executes plan
<ul> <li>Plans made on a team by team basis in silos</li> <li>Plans based upon teams' required resources</li> </ul>	• Forum designed to create a tactical plan for the entire force	<ul> <li>Officer designs plan around allocation of resources</li> <li>Aligns plan with strategic US priorities</li> </ul>	<ul> <li>Each team moves out and executes mission with allocated resources</li> </ul>

#### **Project Plan**

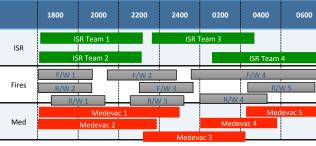

#### Shared Consciousness

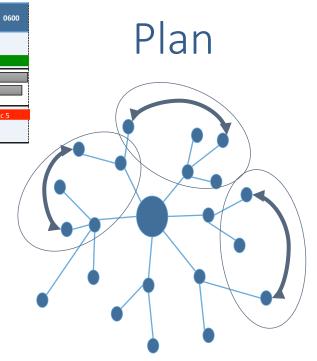

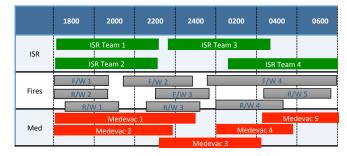

#### **Empowered Execution**

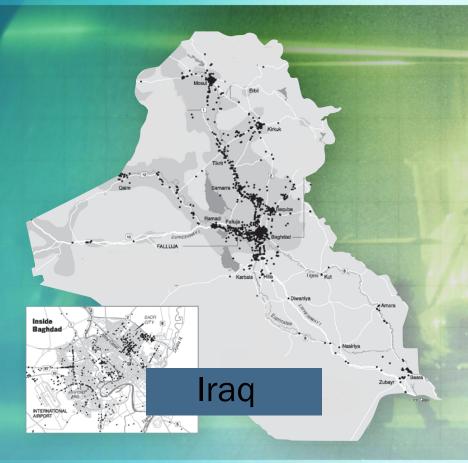

## Plan again...

### ...and again

18 raids

**1** every other night

August 2006

300 raids

**10** every night

# McChrystal Group
